

MIDDLE SCHOOL UNIFORM POLICY

The uniform code becomes effective on the first day of school. Parents are asked to reinforce these policies with their children. **Any student not in compliance with the uniform policy will be issued a statement to that effect to be signed by the parents. If a child receives a second warning, they will be sent to the office and their parents will be called.** The child will not be readmitted to class until the uniform is in compliance. Students are expected to be well groomed and to have sufficient uniforms. Uniforms should be clean and in good condition each day. Please replace faded, torn, etc. clothing as needed.
