- 2 packages of 8 Crayola large crayons (classic colors)
- 2 Large Pencil Erasers
- 1 bottle of hand sanitizer – 8 oz or larger
- 1 container Clorox Wipes

It is important that your child have the correct number of crayons, colored pencils, etc. **Each school supply (crayons, markers, pencils, glue, scissors, pencil box, etc.) must be labeled with your child's first name and initial of the last name before the first day of school. Permanent markers or labels work well for this.**

*Classic colors are the 10 basic colors with gray and pink included. Please be sure that the box contains red, yellow, orange, brown, black, blue, green, and purple. This is important as your child will be learning how to read the color words during the year and other color names may confuse him or her.
