

PATRIOT DAY CELEBRATION

September 8, 2011
School Wide Service Project
Sponsored by Troop 11031

Troop 11031 will be holding the first annual "Salute our Troops" drive on September 8, 2011. Each teacher will 'adopt' a troop currently serving our country. Our teachers will incorporate into their lessons of the events of September 11, 2011, by either the design of a 'thank you' card for a soldier, or the writing of an actual letter of appreciation for their service to our country. These letters/cards will be bundled/packaged and brought to the Patriot Day celebration. A member of Brownie Troop 11031 will be available with a box to collect these items. Also needed for these soldiers are healthy snacks. Requested items include factory sealed packs of granola bars, peanuts, trail mix, pumpkin seeds and sunflower seeds. If you can help with these needed items, we would appreciate your help.
Thank you,
Troop 11031

Troop Names

FROM PLANTATION....ARMY MEDIC...serving in Afghanistan **GRADE 1**
